BOTTOM LINE: You can do what you should even when things seem impossible.

Read 2 Corinthians 4:9

**Ask the Impossible**

Think of one thing that you should do that seems impossible. It might be learning to read, ride a bike for the first time, or climb a really tall tree. It will be different for every person. Ask a grown-up to help you do that thing and then ask God for the courage to do it.

**Can You Part Water?**

Get a tub or large bowl of water. You can even run water in a sink with the stopper in. Now, try to part the water and make it stay. Try to blow it apart. Try to push it apart with your hands. It is impossible to do on your own! Remember that God helped Moses part the sea in this week’s Bible story? Know that you should do what God wants you to do, even if it seems impossible.

**Grow Like a Weed**

Go outside and find a weed. It could be in a yard, a sidewalk, or growing right next to a flower. Weeds grow in easy places like flowerbeds and impossible places like cracks in concrete or even out of rocks. Look at that weed and know that if God leads you to do something He will help you to do it just like He helps plants to grow in impossible places.

**Down but not Out**

Lay down on the ground. This is what it is like to be down. But you are not out! Get back up! Pray and thank God that He is always with you and gives you the courage to do what you should even when things seem impossible.
